

FEATURED- PARTNER HIGHLIGHT

Our CCS teams service a variety of locations and provide multiple levels of detailed work throughout. We are pleased and excited to share this review that came in from one of our medical device partners! Take a look...

“We have a very demanding FDA regulated facility where the cleaning is regimented and precisely documented. CCS cleaning is very conscientious when performing its services and is always trying to go above and beyond. They keep track of cleaning schedules and are always on top of what is required. Whenever there is something extra requested of the cleaning crew, like working weekends, disinfecting for the COVID-19 virus, or other special activities, they always do it with a smile and a wonderful attitude. The CCS cleaning crew is an extension of our employees.”

- Facilities Manager, Medical Device Partner, East Region

KUDOS

One of our partners treated our staff to an appreciation lunch for their hard work and efforts on site. A normally 3-day job was done in a day and a half, prompting the thank you! CCS takes pride in the continued diligence and excellence our staff provides.

Pictured from the back left to right are Nate, Mike, and Brent. In the front from left to right, Ashley, Kevin, and Elisa.

CCS CONNECT

Due to the changing realities of today's work environment, ensuring employees and partners are kept up to date with the latest information is more important than ever before. CCS is releasing monthly briefs, "CCS Connect", to our partners to ensure they know how CCS is handling highly specialized situations with our process and what our plans are to ensure proper execution of services. If you would like to stay connected with CCS and our updates, please visit our website for more information! You can also subscribe for CCS emails. Thank you for being a valued partner of CCS.

GROWTH AND EXPANSION

Address: 19125 North
Creek Parkway, Suite
120, Bothell WA 98011.

With new growth comes expansion! CCS is excited to announce our most recent office space in Bothell, Washington.
